## THE FABRIC MACHINE

Fabric Machine Plus

The Fabric Machine Plus interface includes a sidebar with eight crafting slots, each showing a scroll icon and a different material (blue sphere, orange sphere, red sphere, yellow sphere, dark blue sphere, green sphere, light blue sphere) resulting in a stack of three items. To the right is a large input-output area where two gray squares enter an arrow to produce one gray square. Below this is an inventory grid with four rows and eight columns, containing icons for various furniture and decorative items.
